## For the best advice on **Family and Divorce** law Rely on us

### **We appreciate that no two cases are the same**

When a relationship breaks down, whether in separation or divorce, it can turn your world upside down, emotionally as well as financially. With Napthens on your side, the first thing you can expect is someone that listens. We recognise that your situation and needs will be unique to you. Our policy is to strive to achieve an amicable resolution and at the same time provide you with the robust representation you need to safeguard your interests.

### **We provide practical solutions to help you move forward**

Anger, bitterness, sorrow, resentment and vulnerability, we've seen pretty much every imaginable emotion come through our doors. We will always show you the sensitivity and genuine support that you deserve at a most difficult time. Importantly though, we also offer you professional and practical advice from experienced experts to enable you to take stock of the reality of your situation and move forward.

### **We safeguard your interests to get you the best possible outcome**

Your divorce may impact on a business and associated assets - we have lawyers with the expertise and commercial acumen to ensure you get the desired outcome. You may have children to consider and matters of custody to resolve – our lawyers have many years of experience in dealing with these issues. Regardless of your circumstances, we can provide you with a specialist adviser with the experience that's best suited to your needs. At Napthens, you'll find us here when you need us, offering our best advice to give you the best possible solution.

### Helping you with:

- Wills and Will reviews
- Lasting Powers of Attorney
- Appointing Executors and Guardians
- Discretionary Trusts
- Inheritance Tax Planning
- Business issues
- Probate and estate management

## When it comes to **Wills and Estate Planning** Rely on us

### **We ensure that the future of your estate is the future you planned**

It's never too early to plan ahead to protect your loved ones or organise your business affairs and ensure your wishes are carried out in the event of your death or incapacity. Putting your affairs in order now can avoid adding to the confusion and grief when you die. At Napthens, you'll find a comprehensive estate planning service from specialists who will ensure your wishes for the future are met precisely.

### **We offer expert guidance on a wide range of issues**

We provide a Will writing and review service and administer estates, which are services you might expect. However, you may not be so aware of our extensive range of estate planning services. At Napthens, we are specialists in preparing Lasting Powers of Attorney to enable you to plan and manage your personal and business affairs in the case of future incapacity. We provide advice on Trusts and Inheritance Tax planning and on appointing Guardians for children. We advise on issues surrounding your business, for example the impact on your business partners, company shares and associated tax implications.

### **We offer a professional and sympathetic service you can trust**

Everyone has their own specific ideas of how they want their affairs to be managed after their death, and we treat each case on an individual basis to ensure the solutions we offer are best for you personally. Our professional advisers provide a sympathetic and efficient service that will help to avoid ambiguity and conflict at an emotional and difficult time. With specialist advice from Napthens you can be reassured that the future of your assets is in safe hands and ensure that your affairs will be managed as you wished, leaving the outcome you always intended.

"We must bring to your attention how pleased we were with the way these matters were carried out... Compassionate and professional, we felt in very safe hands."

**Derek and Mary Heaton**

### Helping you with:

## For the best advice on Litigation Rely on us

### **We provide strength when you need it most**

When you are facing a dispute and need to put things right, we help resolve matters speedily and thoroughly. From disputes over boundaries to Wills and inheritance disputes, we offer an objective opinion to help you see things more clearly, providing valuable, practical advice that will give you confidence to move forward.

### **We keep you informed**

Every case is different. We look at the facts and will give you advice that takes into account your own particular circumstances and needs. Whether making or defending a claim, we understand that if it's got to this stage, the issue will be weighing on your mind. So our style is approachable. And we make sure we keep you informed of developments - including on costs.

### **We unravel the issues to give you clear advice**

Our role in any dispute is to protect your interests and get the best possible outcome for you. That means we don't automatically recommend litigation as the solution. We will look at alternative means of resolving disputes such as mediation and ensure you understand all the options available to resolve your issue as quickly and cost effectively as possible. Sometimes litigation is the only option. If it comes to Court action, you can feel reassured by our strength and experience, knowing that you have the right team on your side.

### Helping you with:

## When it comes to **Personal Injury** compensation Rely on us

### **We give you the best advice when the worst happens**

Accidents happen. It's a sad fact of life, but they do. That's where we can help. At Napthens we deal with all types of injury claims, from relatively minor injuries through to those of the utmost severity. In fact, you can be reassured to know, it's one of our specialist areas with over 100 years of experience in personal injury law throughout our team. With our ethical and professional approach and a great record of successful claims behind us, you can use our expertise to obtain the compensation you deserve.

### **We help get you back on your feet**

If you're involved in an accident that's not your fault, we can assist not only through the financial process via the legal system, but also by guiding you through the rehabilitation process. Whether you've been involved in a road traffic accident or have a more complicated claim, we can help. And because of the contacts we have built up over the years, we can even assist with your rehabilitation, arranging treatments with physiotherapists and chiropractors to ensure you're back on your feet as quickly as possible.

### **We believe a personal injury claim requires the personal touch**

We pride ourselves on providing you with a friendly, efficient, ethical and transparent service that's built around you. We explain the options available to you and we make sure you understand exactly how things are progressing at every stage. You can come in and meet with us or should your accident mean that's difficult for you, then we can oblige with a home visit. It's not every legal firm's way of doing things, but it's ours.

*All our Partners are members of the Solicitors Regulation Authority's Personal Injury Accreditation Scheme.*
